### NEWS

GNN 3 MINUTE GEORGIA NEWS CAST      5:30A-6:30P MON-FRI  
FEEDS AT 30 PAST THE HOUR            6:30A-6:30P SAT  
(INCLUDES :60 NET UNIT)                12:30P-6:30P SUN

Full news cast featuring GNN anchors, reporters and contributions from affiliate reporters statewide. This GNN Flagship News Cast has been a mainstay in informing Georgians since 1980.

Format:      30:00 sounder, news cast begins  
               32:00 :60 mandatory GNN unit

Each three minute cast is re-fed at the top of the following hour.

*Automation:* All GNN News Casts open with a Starguide 00 closure and conclude at the 03:00 mark with a Starguide 01 closure for ease of automation.

### NEWSBRIEF

GNN 2 MINUTE STATE NEWSBRIEF      5:56A-6:56P MON-FRI  
FEEDS AT 56 PAST THE HOUR            6:56A-6:56P SAT  
(INCLUDES :60 NET UNIT)                12:56P-6:56P SUN

Format:      56:00 sounder, news cast begins  
               57:00 :60 mandatory GNN unit (same unit as 30:00 cast)

This Newsbrief is a live sixty second headline capsule of GNN's bottom of the hour three-minute newscast, covering Georgia news exclusively.

Note: The GNN NewsBrief re-feeds without inventory at **28:30** past each hour for stations who want to split GNN programming from attached inventory for format reasons. In times of national or state emergency this becomes a breaking news minute.

*Automation:* All GNN NewsBriefs open with a Starguide 00 closure and conclude at the 03:00 mark with a Starguide 01 closure for ease of automation.

## WEATHER

### THE WEATHER CHANNEL/GNN GEORGIA ZONED WEATHER FORECASTS

The Weather Channel radio meteorologists feed forecasts by zone for all of the state. GNN affiliates capitalize on the credibility and name recognition of The Weather Channel, while keeping their listeners posted about conditions. In the event of severe weather, The Weather Channel meteorologists broadcast live on GNN within our newscasts

:25 Georgia Zone Weather Feeds begin at 5 minutes past the hour 5a-6p Mon-Fri, 6a-6p Sat, 8a-6p Sun. Zones are fed as follows:

<u>Zone Feed</u>	<u>Feed Time</u>
Zone 1	05:00
Zone 2	05:30
Zone 3	06:00
Zone 4	06:30
Zone 5	07:00
Zone 6	07:30
Zone 7	08:00
Zone 8	08:30

**Zone Updates: 5:05a, 10:05a, 2:05p, 5:05p.** GNN recommends you monitor or automate your zone feeds throughout the day. In the event of rapidly-changing weather we will update hourly as needed.

*Automation:* All Georgia Weather Zone Forecasts open with a Starguide 00 closure and conclude at the :25 mark with a Starguide 01 closure for ease of automation.

## PUBLIC AFFAIRS

**"Georgia Focus"** is a 28 minute long, self contained public affairs broadcast that you can use in your community. John Clark hosts the show, which features a new topic every week. Issues covered range from Health Care to Homeland Security, from Non-Profit Organizations to Environmental Issues.

Besides having a compelling, relevant public affairs discussion on your air each week, GNN makes your life easier by providing quarterly information on show guests and topics that you can use to fill out your local FCC Ascertainment Public File . Call us today if you have questions about "Georgia Focus".

## **AGRIBUSINESS NEWS**

**Georgia Farm Radio Network/GFRN:** The Georgia Farm Bureau and GNN provide Georgia's best coverage of agribusiness news, markets, and analysis, including specialized reports on Georgia's peanut and cotton crops.

**Sales lead:** Local Georgia Farm Bureau Insurance agents receive 75% co-op from the Georgia Farm Bureau for purchasing spots from you if you air these features.

GFRN is a separate affiliation from GNN. Call today for programming and affiliation information regarding GFRN

## **CUSTOM DROP-INS, LINERS**

GNN and Georgia Farm Radio Network on air anchors and personalities will record custom drop-ins and liners for your station. This can make you sound bigger and better for clients and listeners.

## **TECHNICAL OPERATIONS**

**Downlink Specs:** GNN is available on AMC-8, Transponder 21 utilizing a proprietary Starguide III Platform. GNN loans Starguide III receivers to our affiliates.

**Automation Closures:** GNN sends relay closures via Starguide surrounding all of our base network programming. We also feed our commercial inventory separately each hour with these closures so that you can automate your db'd commercial compliance with your GNN Affiliation Agreement. Two closures are available: Starguide 00 is used for Network Start, and Starguide 01 is used for Mandatory Local Rejoin. Starguide 02 is used for Local Break Start in GNN long-form programs. You can use GNN relay closures as a clock synch, or to effect seamless transitions in automated programming.

All GNN Starguide Receiver, downlink, and Automation closure specifics and cheat sheets are available for your engineering staff on our website at

[www.georgianewsnetwork.com](http://www.georgianewsnetwork.com).

## **GNN OnDemand**

Many affiliates are seeing great benefits from ***GNN OnDemand***, the interactive site that provides access to our news and sportscasts, The Weather Channel, GFRN reports, actualities, rip n read copy and more. You don't have to wait around for a satellite feed or worry about back-timing with ***GNN OnDemand***.

In fact, with ***GNN OnDemand*** you can create your own news and sports reports with our "Rip N Read" service - the copy and sound needed to make your station sound 100% local. To begin using ***GNN OnDemand*** log on to [www.frn.com/gnnondemand](http://www.frn.com/gnnondemand) and click on "New User" to register.

## **COMPLIANCE**

GNN compliance is easy. You can air as much programming you would like, as long as you clear GNN's minimum inventory requirements within 30 minutes of either side from when we distribute our commercials. We make that easy, offering you three choices:

1. Clear GNN Commercials live or db'd within programming.
2. Automate using GNN's hourly news spot feed at 10 past the hour, and the Sports or Business Report spot feed at 12 past the hour. This requires NO production time once you have programmed your automation.
3. Download any GNN commercial as an .mp3 file from our affiliate web site at [www.georgianewsnetwork.com](http://www.georgianewsnetwork.com) . Go to "audio downloads".

## **LOGS ON LINE**

GNN Sends out a yearly Clearance Declaration and GNN clearance affidavits are available online weekly. You can also e-sign your monthly affidavits by registering for GNN Logs On Line at [www.frn.com/gnnlol](http://www.frn.com/gnnlol) , giving you paperless compliance. There is no easier radio network compliance process in America!

## **OVERVIEW**

GNN's role is to produce quality programming for our affiliate stations in a radio environment where stations in secondary and tertiary markets have to set themselves apart from the nearby "big sticks" that they compete with.

Georgians care about Georgia. GNN programs bring home something special for your listeners. GNN programming attracts local sponsors, too.

GNN's large market affiliates appreciate the big market sound and award-winning news gathering that sets their on-air product apart from the competitors.

GNN's response to our affiliates is closer, quicker and reflects an understanding of your environment that you won't get from national networks.
